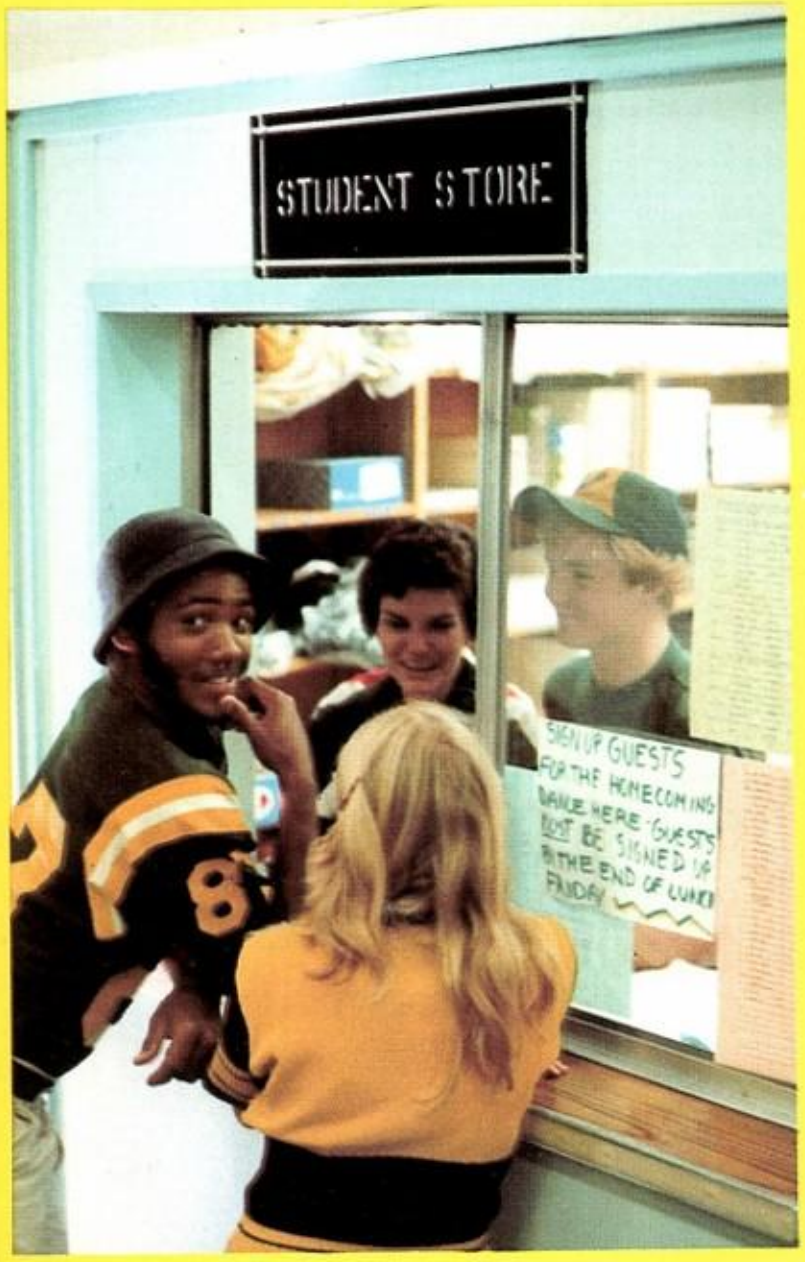
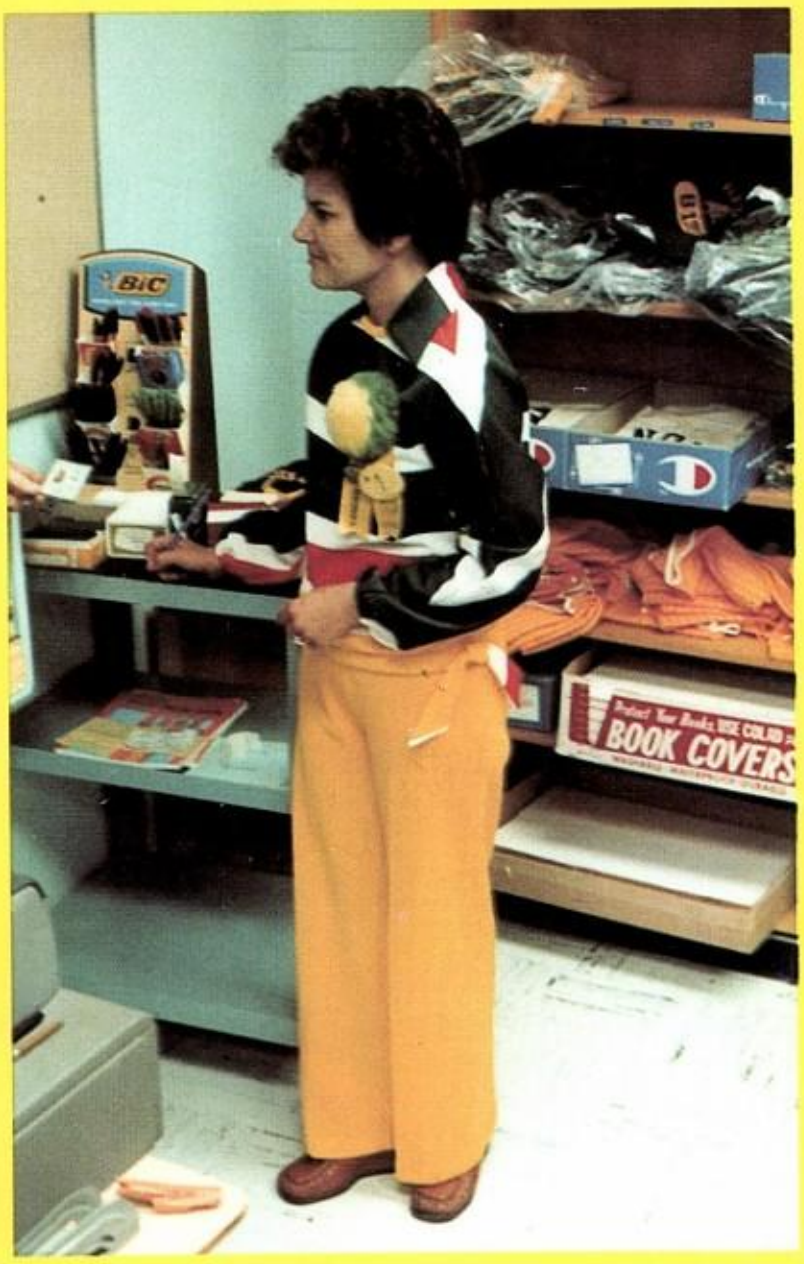
OF

VANDEN HIGH SCHOOL





Mrs. Chapiewski has been at Vanden since 1971. Before assuming her job as Accounting Secretary in the Student Store, she was a secretary for Mr. Ochs and Mr. Miller. With a firm hand and a friendly smile, Mrs. Chapiewski has worked very hard to supply the needs of the students. With the deepest gratitude and appreciation for all her services and devotion to Vanden High School, we, the 1977-78 SAGA staff, proudly dedicate this yearbook to Mrs. Chapiewski.

Friendship

To see the need nor pause to seek as one all-wise in right and wrong,

Why he has proved himself to be weak who had his moment to be strong;

To give, nor ever think to learn what shall be given in return.

To hear a cry for aid and run all haste from whence that summons came to do plainly what be done

And bother not to fix the blame; to serve the need and never pause

To know whose fault and what the cause.

To play the friend when'er I can with all the power that I command, knowing the blow that feels a man

Is quite enough to understand; To see him down and lift him up, hungry and fill his plate and cup.

HOMECOMING

Vanden High's 1977 Homecoming week was highlighted by our victories over the Washington Huskies. The JV score was 14-6, Varsity's score was 41-14. During the week there was a lot of participation in activities such as class competition, senior slave sale, night rally, parade, and the Homecoming dance. We would like to thank all those who made the 1977 Homecoming a success.

Although it is a ways off they are planning for the basketball homecoming in hopes that all will go fine Also the sophomores are now forming a new Action Committee.

The Action Committee is to get more sophomores involved in future activities to help raise money for their class.

Gail hopes that more sophomores will get involved in activities as well as joining the Action Committee. In these ways the sophomore class will have a very prosperous year.

Who Were Vikes?

Jeanne Vanderfin '79

Who were the Vikings?

Most of us, when asked this question, would probably speak of Leif Ericson and his group, the large ships which more Norsemen sail though that are no let us not forget that we Vikings, we should be aware of the Norse terms used at Vanden and know something of their origin. For instance, how many of those reading this article know what "Valhalla," the name of our paper, means? Or for those of you who remember the student lounge two years ago, did you know that its name, the Valhalla Lounge, also originated from the Viking kingdom.

Valhalla, before the coming of Christianity, was the patron god and goddess of science, the creation of all brave heroes. He was a storm-god (or so his name "the mad, raging one" would suggest), a war-god and a sun-god, the god of the dead, portrayed on horseback. Sleipnir, Odin's eight-legged horse, made his home in Valhall among the numerous [illegible] It is this entrance one of which [illegible] a march [illegible] called Valhalla Gate, honored the many heroes of battle. Today "Valhalla" is applied gen-

erally to buildings dedicated to national heroes or the distinguished dead in various fields.

The Valkyries were beautiful battle-maidens of Norse mythology who rode through the [illegible] gleaming armor and [illegible] women [illegible] and [illegible] champions [illegible] Odin [illegible] into the Valhalla. The Valkyries were either [illegible] supernatural [illegible] the daughters of princes. They had the power to change themselves into swans whenever they wanted, and usually preferred noble heroes for lovers.

Freshman Class Is Busy

Monica Schwietz '79

The Freshman Class has been busy with various fund-raising activities and is planning additional ones.

[illegible] a contest [illegible] ering, the Class of '[illegible] had a slow start with their bubble gum sale. After finally receiving their [illegible] found themselves with only a few days [illegible] and still a large amount of gum to [illegible]. They then sold the gum the following week, and made a fair profit of $105. This boosted the freshman class treasury to more than $250.

Spikers Remain Undefeated

Faustine Dusich '78

Vanden's volleyball team retained their winning record.

The points started tallying as Patricia D'Acunto [illegible] ved ten consecutive serves which [illegible] thers had difficulty playing. Although Panthers had opportunity to [illegible] den's e- [illegible] was out, [illegible] to do so. [illegible] Jean Vanderlin then [illegible] to finish [illegible]. The Vikings [illegible] well-organized game which was highlighted by hard driving spikes from Linda Nelson, number 21.

A quick 15-6 win was seen by Vanden in the second game. Contributing to the win were [illegible] powerful [illegible] by Blegaj [illegible].

Not much action was seen from the John [illegible] sheer [illegible] hns to gain [illegible] on [illegible] off of the Vikings. [illegible] Judy Riggert then served two serves [illegible]

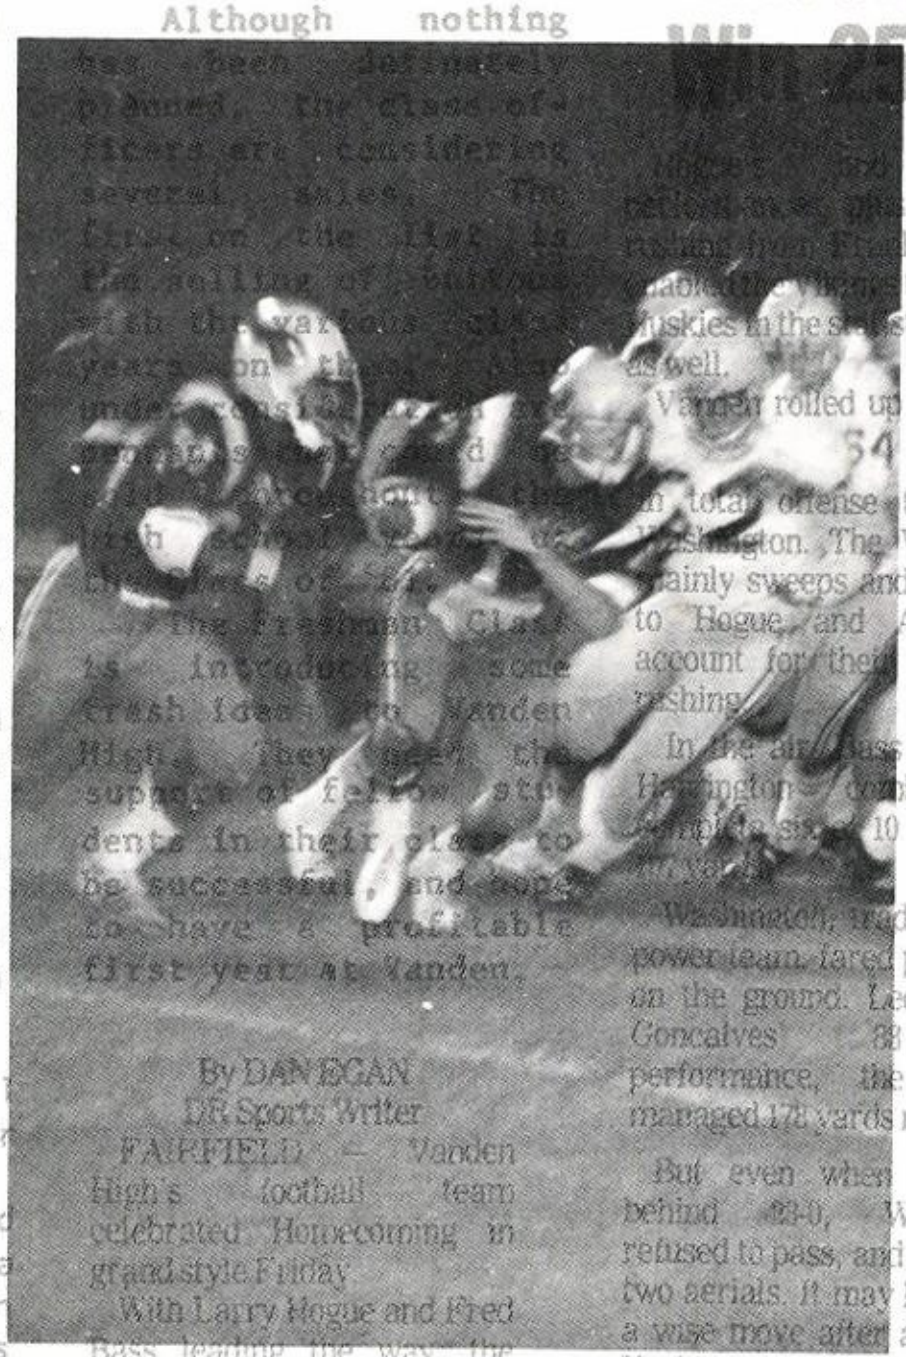
Vike J.V.'s Win 25th



By DAN EGAN
DB Sports Writer

FAIRFIELD — Vanden High's football team celebrated Homecoming in grand style Friday.

With Larry Hogue and Fred Bass leading the way, the Vikings battered Washington High 41-14 to even their Superior California Athletic League (SCAL) record at 1-1.

Vanden dropped Washington to 0-2 with the win and beat the Huskies for the first time in six years.

It was sweet revenge for Viking coach Ed Lenpas who had hopes of a championship season rocked last week when Dixon stunned Vanden 13-7.

"We were very happy with the win," Lenpas said. "It was a sweet victory."

Hogue, in a word, was sensational. The [illegible] halfback scored [illegible] touchdowns and piled up 299 yards in total offense.

Bass was no less a hero. He [illegible] two touchdown passes and crashed over for another on a two-yard quarterback sneak. Bass also led the defense with 11 tackles.

Bass's [illegible] 51 yards [illegible] Averett, [illegible] to blitz the Huskies in the statistics game, as well.

Vanden rolled up 340 yards in total offense to 174 for Washington. The Vikes used mainly sweeps and pitch-outs to Hogue and Averett to account for their 233 yards rushing.

In the air Bass and Chris [illegible] combined to [illegible] 10 passes for [illegible] yards.

Washington, traditionally a power team, fared pretty well on the ground. Led by John Goncalves' 38 yard performance, the Huskies managed 178 yards rushing.

But even when they fell behind 28-0, Washington refused to pass, and tried only two aerials. It may have been a wise move after all, as the Huskies completed one pass, and that for a four-yard loss.

Vanden jumped off to their big lead early and never really let up. Several times in the second [illegible] appeared Washington was on the road back. But each time the Vikings [illegible] the Huskie [illegible].

The series that best showed Vanden's dominance came at the beginning of the second half.

Down 28-0 Washington could have made a game of it by scoring after recieving the kickoff. Goncalves gave the Huskies good field position, returning the kickoff to the 50 yardliner. But he fumbled on the first play and defensive end Greg Fawcett recovered for Vanden.

[illegible] by Rick Gordon moved to the 27 and on the next play Bass lofted his second touchdown pass to Jim Stewart and Vanden was too far in front for Washington to ever threaten again.

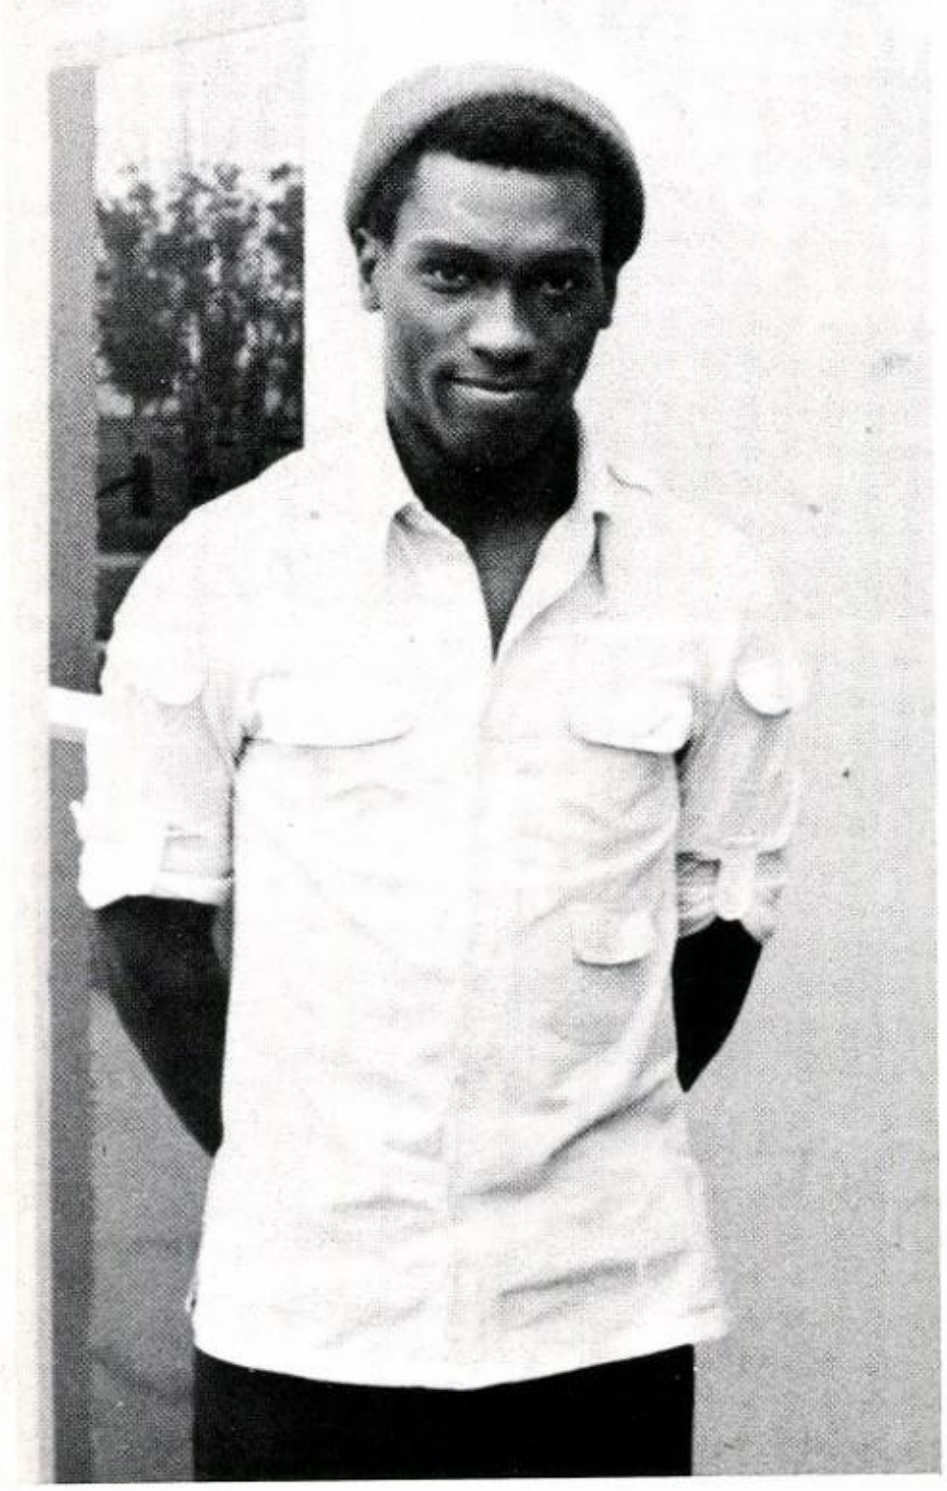
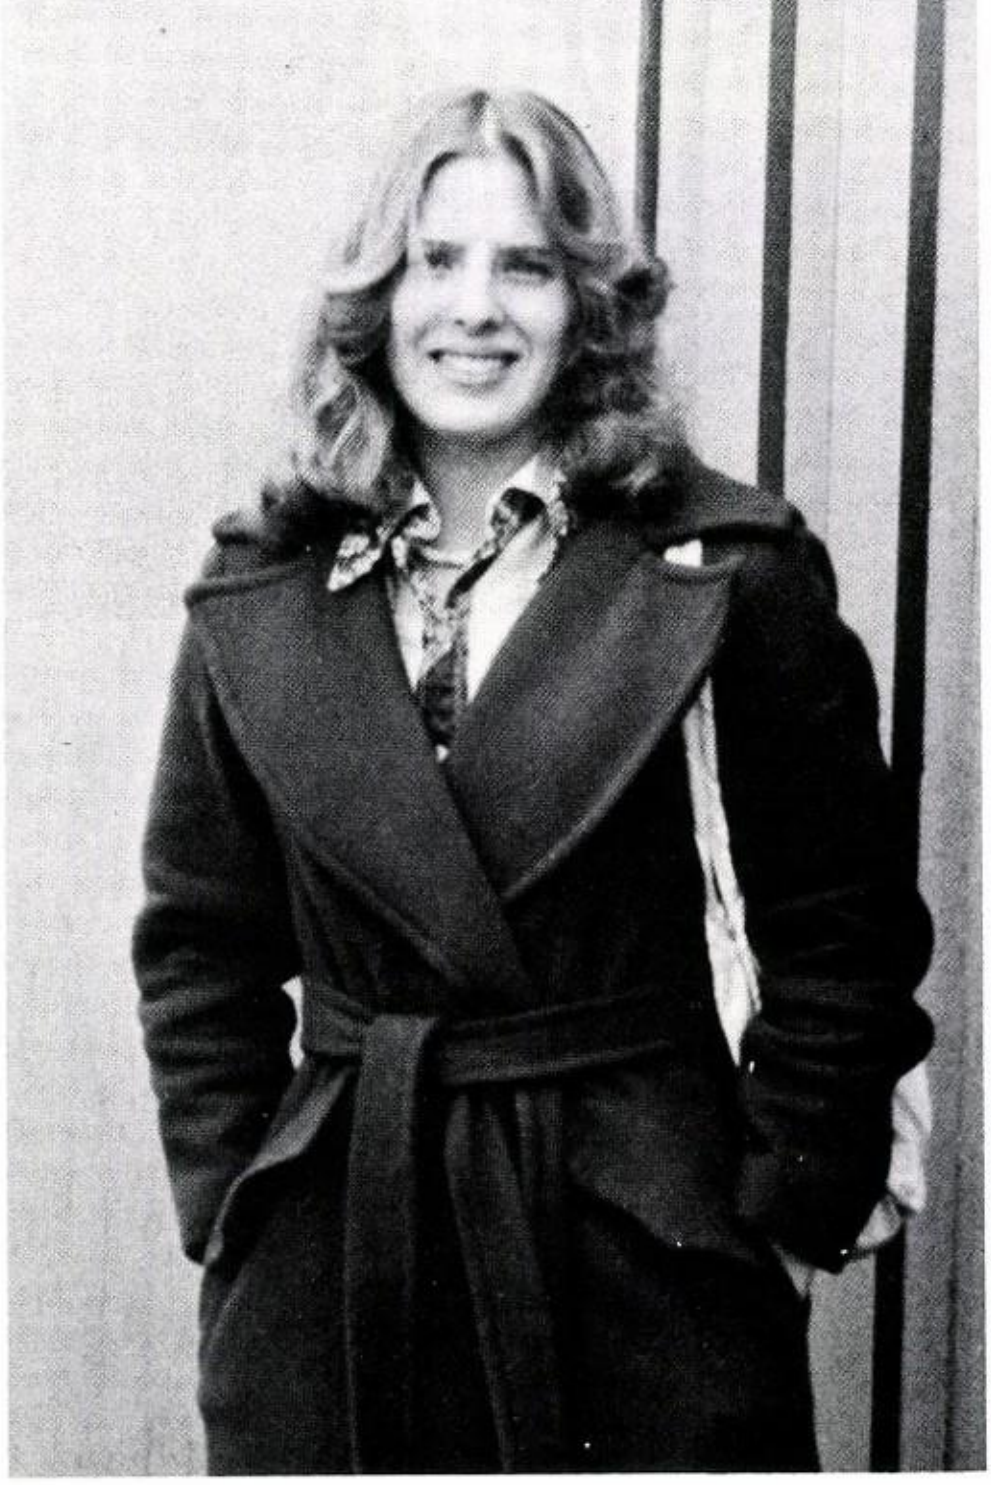
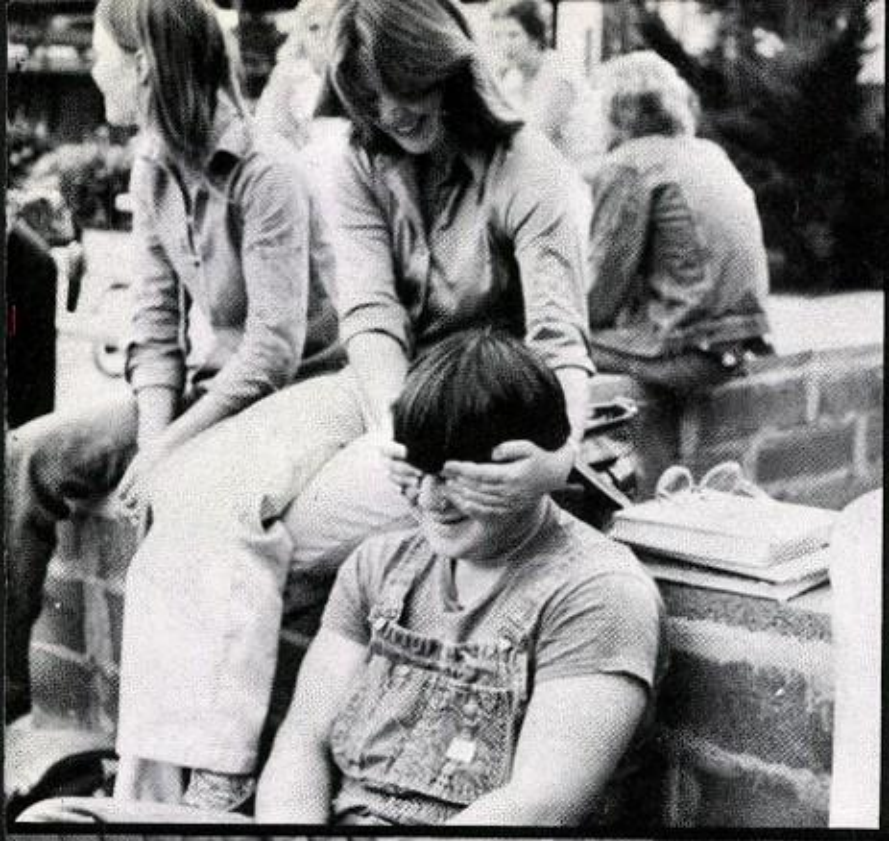
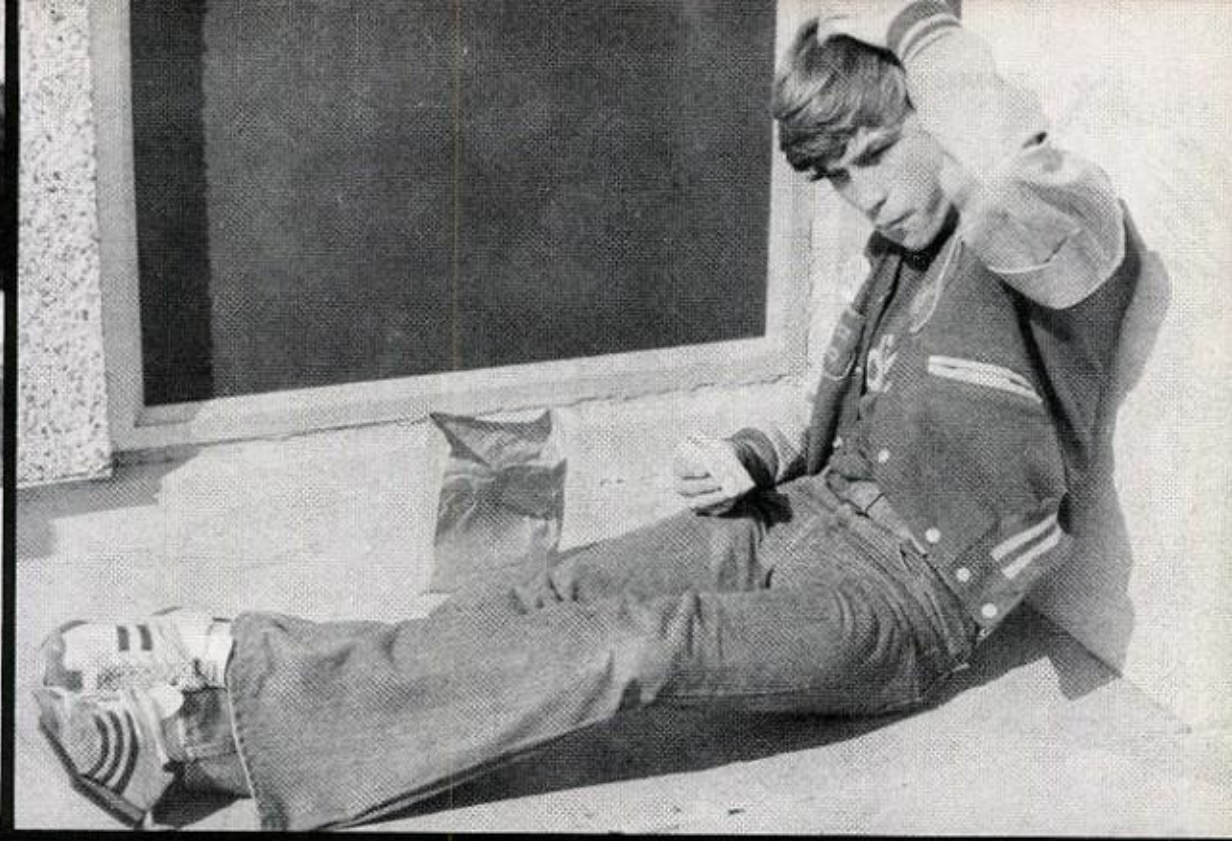
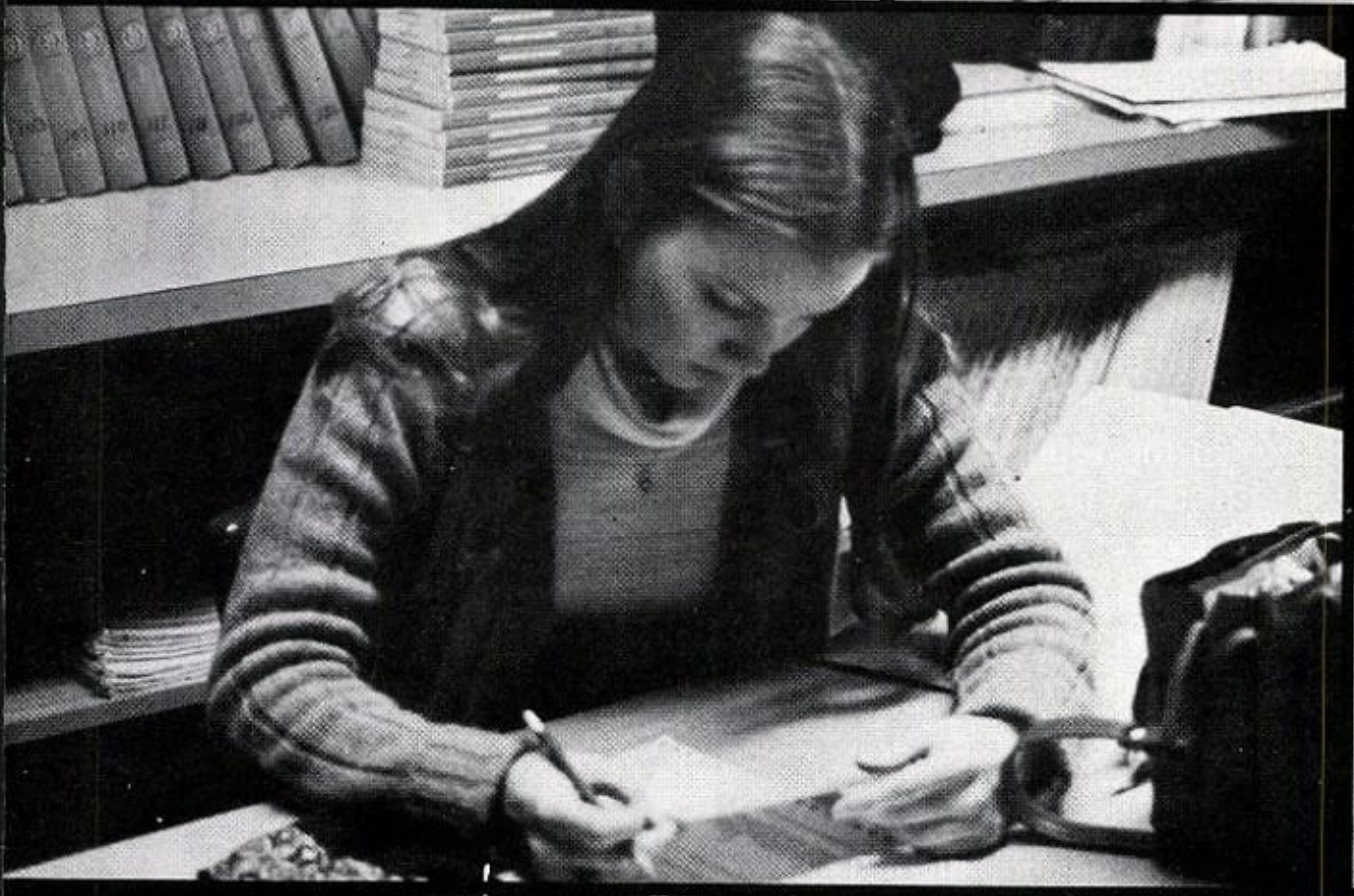
1978 DEBATING TEAM











I close my eyes, only for a moment and the moment's gone

All my dreams, pass before my eyes a
curiosity.

Dust in the wind, all they are is dust in the wind. Same old song, just a drop of water in an endless sea. All we do, crumbles to the ground though we refuse to see.

Dust in the Wind, all we are is dust in the wind.

Don't hang on, nothing lasts forever but the earth and sky, it slips away . . .

ALL WE ARE IS DUST IN THE WIND . . .
